JUNIOR CAMP/QUAD

PEWAUKEE • JUNE 13 – AUGUST 31, 2022

Where kids have FUN in a safe & healthy environment!
Welcome to

JUNIOR CAMP/QUAD!

It’s where kids go to build character, practice integrity, learn the value of friendship and have fun!

THE BASICS

Who can attend Junior Camp/Quad?
• Children must be at least 5 years old and have completed five-year-old kindergarten. The maximum age is 14.
• We accept children, both from the community as well as employees’ children, including those with special needs, providing that we can adequately meet the child’s needs without endangering the health or well-being of the child, other children or the staff. Our staff-to-child ratio does not allow for one-to-one care.

When does camp run?
Camp starts Monday, June 13 and will continue until your child starts back to school. If you need care outside of those dates, call us so we can help you arrange care.

We are licensed from 6 a.m. to 7:30 p.m. Monday through Friday. However, many classrooms close by 6 p.m. See director for details.

Where is camp located?
Junior Camp/Quad is held in the QuadCare facility just across the street from Quad’s Pewaukee plant at W224 N3297 Duplainville Road.

How do I enroll my child?
Log on to quad.com/quadcare for a registration packet, or call 414.587.4365 or 414.566.2170.

How much do field trips cost?
Trip costs are listed in the brochure. Trip fees are billed to your account and will be found in your billing statement.

What is the registration deadline?
We will continue to accept registrations as long as we have room in our program. Space is limited so enroll soon!

How will I know if my child has been accepted into camp?
Confirmation of acceptance will be made via email, in person or by phone. In the event of an incomplete registration, you will be notified and asked to submit missing requirements before enrollment is confirmed.

Camp Rocks: As always, campers have a HUGE part in designing the program. After all, this is their summer! This year the campers have decided on a program of Celebrating Super Heroes through Music & Mischief! Each week incorporates a theme based on a popular song, with coordinated activities each week supporting that theme. Camp will celebrate Super Heroes by lifting up authors, musicians, coaches, teachers, community helpers and anyone who makes a difference our campers’ lives. Instead of hosting our popular Escape Room Challenge as part of our annual sleepover, the campers have come up with a few alternate options that they are very excited about. Emphasizing campers’ ideas into our programming is what gives them the pride to say, “This is my camp, and it ROCKS!”

Virtues Challenge: As always, Jr. Camp/Quad takes quiet pride in helping campers build strong and gracious character. Counselors and campers alike look for ways to challenge and catch each other being virtuous. Get caught being kind, compassionate, courageous or forgiving when it’s easier to be frustrated or angry. We understand that no one is perfect, and every day is a new opportunity to start over. We believe that by providing the tools and support, and by trying our best to be a better role model each and every day, we can succeed in helping each child build a solid foundation on which strong character can thrive.

STEM/STEAM Activities: Did you know STEM/STEAM are just “new” acronyms for all the fun activities our campers have been doing forever? Robotics, slime, catapults, potato clocks and mentos-in-cola experiments are just a few of the things that we offer as choices that also happen to fall under the STEM/STEAM categories. While we may leave the academic teaching for the formal school year, parents (and maybe a few campers) will still find academic concepts buried among the weekly themes.

Favorite Fun: Back by popular demand! From The Dice Game, Survivor Challenges, 2-Minute Mysteries, Would You Rather, Crystal Maze, Worst Case Scenario and Minute to Win It, we will be offering your child’s favorite activities throughout the summer. We hope to engage campers in problem solving, critical thinking and comprehension skills. This is also a great way for campers of all age groups to interact and work together in creative and imaginative ways as both peers and mentors. With a few new twists to our old games, we’re sure to have some serious FUN in some unexpected ways.

Spirit /Theme Day: Spirit/Theme Days will alternate throughout each week to give everyone a chance to participate. This is a chance to show your camp spirit! Campers and counselors choose the spirit/theme for each week, and we will announce it in advance as summer progresses. Spirit/Theme Days are an opportunity for campers to work cooperatively for the common goals of supporting both our camp and daycare. Campers and counselors can also “Spirit Challenge” each other to see whose group has the most spirit!

DEAR ~ R&R: Yes DEAR, Care to try a little R&R? Campers have asked to bring back DEAR (Drop Everything And Read). For those looking for a creative outlet, we will also offer journaling opportunities with story starters during this time. Campers can log their books and reading time to participate in reading challenges. We’ll also offer time for a little R&R... rest and relaxation? Not quite. Rant and Rave! Campers will be able to rant and rave about a variety of subjects in a guided format that helps them express concerns or considerations in ways that are safe and fun.

**OUR MISSION, VISION, AND PHILOSOPHY**

QuadCare’s summer camp philosophy is based on a set of strongly held beliefs.

We believe that each child is a unique individual. We are aware of our responsibility to meet each child’s social, emotional, intellectual and physical needs. We provide developmentally appropriate programs that help children enjoy successful experiences. We aim to strengthen each child’s own cultural identity.

We strive to provide an environment that is safe, clean, healthy and children-oriented. Classrooms are arranged with learning centers appropriate to the child’s developmental needs. Activity areas give children the opportunity to explore, experience and discover. We know that the strength of our program is the dedication of our teaching staff.

We support our teachers with training, resources and freedom to create a unique learning experience for children. Our teachers create a caring and nurturing atmosphere and foster each child’s creativity and positive self-image.

We encourage positive methods of discipline, such as redirection. Our programs are designed to develop a sense of independence and respect for others.

We understand parents are the most important adults in a child’s life. We strive to create a partnership between parents and teachers for the benefit of the child.

We encourage frequent communication between parents and center staff. Our doors are always open.
